

Affiliation Program - Youth Certified Portal

In conjunction with the new ONLINE PORTAL Safe Places has developed an Affiliation program that provides specific benefits and services for registered groups, businesses, or associations. The Affiliation Program will replace the 'Proud Supporter' designation.

All groups that affiliate to Safe Places will appear in the Public Directory as a registered organization. All Youth Certified Individuals that are associated with your group will then show in the public directory under your organization.

Affiliated members serving Swift Current and Area will have the option to choose from three distinct levels of service available. The fees associated with affiliation are dependent on the number of people in the organization and preferred level of service.

All affiliated members will be awarded an Affiliation Logo to utilize.
